Plan Options and Eligibility

PLAN OPTIONS

- **Option 1:** Mandatory defined benefit + optional defined contribution component (DB/DC option)
- **Option 2:** Defined contribution only (DC only option)

Upon enrolment, employees are required to make an **irrevocable decision** between the DB/DC option (Option 1) and the DC only option (Option 2).

ELIGIBILITY

Permanent and temporary employees

- **Mandatory enrolment** on the first pay period after having completed 4 weeks of continuous service

Note: If enrolment form has not been received by the administrator within 30 days of date of hire, you will be **defaulted** to the DC only option (Option 2) without possibility of changing option (irrevocable).

On-call employees

- **Mandatory enrolment** on January 1st following the year the employee meets the requirements of the federal legislation:
 - **Full time employees:** 2 years of continuous service
 - **Part time employees:** 2 years of continuous service and annual earnings of at least 35 % of YMPE in each of the 2 consecutive calendar years immediately preceding membership

Note: If enrolment form has not been received by the administrator within 30 days of date of eligibility, you will be **defaulted** to the DC only option (Option 2) without possibility of changing option (irrevocable).

Difference Between DB and DC

	Defined Benefit (DB)	Defined Contribution (DC)
Employee Contributions	According to the plan formula	According to the plan formula
Employer Contributions	Amount required to fund benefits while considering the pension plan's experience	According to the plan formula
Benefit	Determined Fixed monthly payment (Formula)	Employee Contributions + Employer Contributions + Investment Return
Fund Return	Increases/Decreases employer contributions	Impacts the amount available at retirement
Investment Risk Longevity Risk Annuitization Risk	Employer	Employee

Option 1 : Mandatory DB + Optional DC component

	Mandatory Defined Benefit (DB)	Optional Defined Contribution (DC)	
		Employee	Employer
Contributions	1.5% of Pensionable Earnings	1% 2% 3%	100% Match
Benefit	1% x Average Earnings x Years of Credited Service	Employee Contributions + Employer Contributions + Investment Return	

- **Pensionable earnings:** include base salary, overtime pay and premiums.
- **Average earnings:** highest average pensionable earnings in the 156 consecutive weeks of continuous service in the last 520 weeks before retirement, termination of employment or death.
- **Years of credited service:** the period of continuous service a member has contributed to the Plan.

Option 2: DC Only

Points (Age + Service)	Percentage of Pensionable Earnings					
	Mandatory Contributions		Optional Contributions		Total	Additional Contributions
	Employee	CMAT	Employee Up To	CMAT Up to		Employee Up to
Less than 35	3%	3%	4%	2%	12%	6%
35 to 54	4.5%	4.5%	4%	2%	15%	3%
55 to 74	5%	6%	4%	2%	17%	1%
75 and more	5%	7.5%	3.5%	2%	18%	0%

▪ **Points (Age + Service):** Based on the total of employee’s age and years of continuous service. The point bracket is determined at the beginning of each calendar year based on the number of points as of December 31st, of that calendar year.

▪ **Optional and Additional contributions:** may be suspended or modified at any time.
